Adverting to Government Order No.L 7172-4/MI 9-46-44 dated 8-11-1946 sanctioning the employment of two Surveyors with gangmen for the above work, I have the honour to state that against the sanctioned provision of two Surveyors, only one Surveyor reported for duty on 2-1-1947.

2. The Sanitary Engineer has stated that as it was not possible for the Surveyor to complete the work single-handed the Services of a Tracer to assist the completion of the work by end of December 1947 was absolutely necessary and therefore in anticipation of approval, he has employed a candidate Srikanthiah by name, an apprentice from the Sri Jayachamarajendr Occupational Institute with effect from 1-9-1947 for tracing work on a monthly pay of Rs 35/- only inclusive of all allowances. The work turned out by the candidate is reported to be quite satisfactory. In this proposal, no additional cost is involved as the payment to be made to the Tracer is proposed to be ^{met} made out of savings in the sanctioned estimate.

3. I request favour of kind sanction of Government to pay of Rs 35/- per mensem to the candidate employed on the tracing work for a period of four months from 1-9-1947, the amount involved being met from savings in the sanctioned estimate as stated above
